

COSMOPOLITAN COLLECTION
PERSPECTIVE™ ROOF SYSTEM

A New Flattish Look Of Ultra Modern Design

MONIER PERSPECTIVE™ offers a completely new flattish look for your roof with its Modern Tech. This new profile combines ultra modern geometrical shape that is dimensionally consistent and suitable for unconventional 15° pitch roofs, along with trendy and modern colours to best suit your preferred roof styles.

**ULTRA MODERN
DESIGN**

This New style roof system together with its simplicity features complement your modern homes architecture, giving it an overall refreshing look without being out of place.

**DISTINCTIVE MINIMUM
PITCH OF 15°**

Combined with an underlay and proper overlapping, MONIER PERSPECTIVE™ successfully passed our Technical Center test under Tropical rainfalls at a 15° slope.

**MODERN
COLOURS**

MONIER PERSPECTIVE™ is available in a range of monotone and trendy colours which are perfect for contemporary architectural designs.

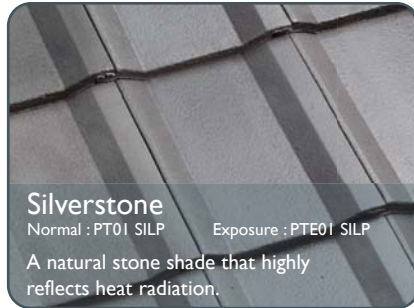

**DIMENSIONALLY
CONSISTENT**

High quality toolings were used to produce MONIER PERSPECTIVE™ which gives it the dimensionally consistent shape and size. All these put together to ensure high level of roof performance on your rooftops.

* Accelerated ageing tests performed by MONIER Technical Centre to simulate products performance under Malaysian weather conditions.

PERSPECTIVE™ COLOUR PALETTE

The new MONIER PERSPECTIVE™ tiles are available in 3 monotone and trendy colours for ultra modern roof styles.

* The colours shown here are reproduced as close to the original as printing technology allows. For best accuracy on colour selection, refer actual tile.
** Other colours not featured on this page are available upon request.
