

# WAKAFLEX®

*LEAK-PROOF SOLUTION for abutments*

## WAKAFLEX®

Wakaflex® is a premium grade dry fix abutment solution that ensures waterproofing on critical areas of the roof. The surface of Wakaflex® is dirt-repelling and smooth, making it an excellent choice to increase the aesthetic value of your roof. Its rollable 5-sheet laminate has a unique self-welding feature that allows for easier and better finishing around any roof tiles and even complicated areas.

### PERFORMANCE 100% LEAK-PROOF

- Complete peace of mind
- Long-lasting water-tightness

### AESTHETICS

- Self-welding for attractive and neat finishing
- More enduring and tidy finishing versus traditional metal flashing
- Available choice of colours for selection and matching

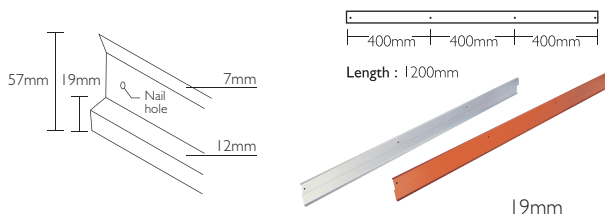

MORE POWER TO YOUR ROOF
